

Welcome to the 2022 Season!

Welcome to the upcoming softball season at the Canton Sports Center. We're excited about the upgrades to the fields including a laser grade, field crown, dura-edge red clay infield mix, and fresh sod on the sidelines. Our staff is dedicated to organizing fun and competitive leagues, keeping the complex safe and clean, and creating a family-friendly atmosphere! It is important that all managers share the schedules, rules, and facility information with all players on your team.

Some great places to get up-to-date information, scheduling, standings, and more, visit Canton Sports Center website at: csc.canton-mi.org or on Facebook by searching @CantonSportsCenter.

We expect players in our programs to compete with class at all times. Please only register players on your roster that respect the game, the rules, the opponents, the staff, and the efforts made to share quality times through softball. Section Two – General League Rules

2.1 Manager's Responsibility

Managers are the primary link between their players and the Canton Sports Center management. It is the manager's responsibility to attend the manager's meetings, obtain and read all information and rules, and make this information available to their players. Manager's must inform our office of changes in address or phone number. Managers must insure that all players read and sign the liability waiver and are eligible to play. Managers are responsible for their behavior while at the Canton Sports Center, in Kicker's All Star Grill, and in the parking lot. If your behavior is deemed unsafe, dangerous, or unsportsmanlike, it will affect your playing eligibility.

2.2 Player Conduct

Players are responsible for their behavior while at the Canton Sports Center, in Kicker's All Star Grill, and in the parking lot. There will be zero tolerance towards players who use inappropriate language, verbal abuse, and any conduct that is deemed to be unsportsmanlike, and it will affect playing eligibility. The Canton Township Code of Conduct is in the manager's packet.

2.3 Rosters

Managers are required to complete their team roster. The online team roster form is available on the Canton Sports Center website csc.canton-mi.org. The roster may consist of a maximum of 20 players. All rosters must be finalized by the third week of league play or the sixth game; at this time rosters will be **FROZEN**. Only in the case of an injured player may a person be substituted on the official roster. Please, contact the front office to discuss replacement for the injured player. **NO additions will be made once playoff games begin. A player must have competed in a minimum of four games (M-Th & Sun Leagues) to be eligible for any playoff game and a minimum of two games for Friday Leagues.** Any protest made against a team without a roster or player on file, the protest will be upheld. USSSA Major Players are not permitted in any Leagues.

The Canton Sports Center accepts cash, checks, MasterCard, or Visa payments. Please make **all checks payable to Canton Township**. Include on all checks: phone number, address, and driver's license number. If the bank returns any checks, your manager is responsible to repay balance and bank service fees before your next scheduled game with cash or a cashier's check. You are responsible to cover any checks provided to us by a sponsor.

Your team is responsible for umpire fees of \$15 per game, payable at game time.

2.5 Injuries – Continued Participation

Any player, manager, or umpire who is bleeding or has an open wound will be prohibited from participating further in the game until the bleeding is stopped and the wound covered. If treatment can be administered in a reasonable amount of time, as judged by the umpire, the individual doesn't have to leave the game. If excessive time is involved, the re-entry rule would apply. If there is an excessive amount of blood on the uniform/bandage, the umpire may rule that the uniform/bandage be changed before the individual may participate. **Any player, manager, umpire, or spectator that *sustains a hit to the head* with a softball or bat, **must** be examined by Canton Public Safety.**

2.6 Scoring

The home team is responsible for keeping the official score sheet. If, for any reason the home team is unable to do so, the umpire must be notified so that another scorer can be designated. Teams may flip flop during innings and keep score for their own team if both teams agree to it. It is both managers' obligation to confirm that the score is correct before each half inning starts and that the final score is also correct. Please, also review your copy and make sure all of the information is correct and readable before you leave your diamond. Incorrect or unreadable score sheets result in incorrect standings! Be sure the final score is written clearly at the bottom of the score sheet and that the correct scores are listed under the correct teams! *** DO NOT use nicknames or abbreviations on score sheets. Please, use proper name only.**

*Score sheets will feature Team Sportsmanship Ratings. Managers are responsible for filling out their opponent's sportsmanship rating after each game.

2.7 Standings

All standings will be posted outside the Sports Center Office and available online on the USSSA website. All game scores will be recorded and a team will receive a [7-0] win as a result of a forfeit or default. Final league standings will be based on total wins, head to head, and total runs given up throughout the season. In the case of a 1st place tie based on total wins only, final standings are based upon the team's **head to head record**, if a tie is not broken by the head to head games, a single game championship will be played.

2.9 Insurance

Players, managers, coaches, and spectators may not be protected by their own private medical or liability insurance while on Canton Sports Center property. Therefore all participants and spectators are encouraged to purchase insurance independently or through the USSSA team insurance plan. Insurance information is available in the manager's packet. Canton Sports Center does not cover individual players under its insurance policies.

2.10 Official Electronic Individual Waiver and Team Roster

To participate in league or tournament play at the Canton Sports Center, all players, managers, and coaches must agree to the following team contract. In addition, any injured player who remains in a game, despite being injured, assumes all liability for any additional injury or damage that may result. The following release appears on the Canton Sports Center Official electronic Release of Liability Waiver Form and agreement of such is a Release of Liability Waiver Form for participation at Canton Sports Center.

"I do hereby acknowledge, agree and understand that:

- 6. I will not fake tag players. I will not crash into other players. I will not throw my bat and/or equipment or conduct myself in a hazardous manner.*

Further, in consideration for the right to play softball at Canton Sports Center, I agree by signing the Canton Sports Center Official Team Roster, Players Contract and Release of Liability Waiver:

- 1. I assume all risks of injury incurred or suffered while on the premises of Canton Softball Center.*

2. *I hereby release, hold harmless, and agree not to sue the Charter Township of Canton, its officers, all parties involved, servants, associations, employees, USSSA, advertisers or sponsors for any claims, loss, damage or injury sustained while on the premises of Canton Softball Center whether caused by its negligence or otherwise.*
3. *I am aware and understand that copies of the Canton Sports Center rules and regulations were furnished to each team's manager at the start of the season and that copies are available in the softball office. I also understand and agree that it is my responsibility to read, understand, and abide by these rules."*

2.11 Radio/Music during Play

The batting team will have the option to play their music during that half inning of play. After the completion of the half inning, the new team at bat will be able to play their music. There should be no use of explicit/derogatory language in the music being played, if so, the Facility Staff and Umpires will have the discretion to turn it off.

Section Three – Schedules, Make-ups, Forfeits and Rainouts

3.1 Scheduling

Your first game time will be available on day of registration. Please, do not print schedules, for they are subject to change. It is the manager's responsibility to look up the league schedule, verify scheduled games, and inform players regarding game times and field. A nightly schedule will be posted outside of the office each night. Please, verify game times and fields on the posted schedule in case of last-minute changes. League schedules may include single, double header, and in special circumstances, tripleheader games. You can utilize USSSA for the most up-to-date schedules. To be fair to all teams, we do not honor any special requests for league schedules but will help with situations when they come up in advance.

3.2 Make-Up Games

If league games have to be rescheduled, new schedules will be available on USSSA within 48 hours of the cancellation. Make-up games may be rescheduled on any day of the week. It is the manager's responsibility to inform their players of make-up games. If a team drops from your league early in the season, we will make every attempt to reschedule the rest of the season's games involving the dropped opponent.

3.3 Forfeits

After a team forfeits their 2nd game they will be removed from the league for that season, unless they pay an additional \$30 within 48 hours of their 2nd forfeit. Paying this \$30 is the **only way** a team will be able to stay in the league.

3.4 Rainouts/Field Condition Information

Section Four – Playing Rules

4.1 Official Game

The USSSA 3-2 count ruling will be in effect. A batter will be allowed 3 balls and 2 strikes. A regulation game is 7 innings. In the event of inclement weather, games are official after 3½ completed innings, if the home team is ahead. If the game is called prior to 3½ innings, the league coordinator will schedule make-ups based on games left in the season and tie-breaker results. If incomplete games are made up at a later date, all games will start over with a new 1st inning. If the team at bat is losing and ties at the time of the cancellation and the game is later than the fourth inning, the game will revert back to the last complete inning.

NOTE MANAGERS: We only ask that you be in the office requesting information on delays/cancellations – please know there is a difference. It is your responsibility to see what decision has been made. In the event of a delay, keep your players ready to resume play at a moment's notice. **Umpires do not cancel games**, only CSC staff may cancel games.

4.2 Game Time

Game time is forfeit time. Team managers may choose to give the opponent a **maximum of 10 minutes** to field a team. This rule is applicable to the first game only. Time will still start at the scheduled game time and the time delayed will be deducted. A team must start with a **minimum of 7 players** (except Coed; see section 6.1). A team may add an 8th, 9th or 10th player at any time to the bottom of the lineup when play is dead. **Exception:** 1. If the entire team is completing a game on another field, the umpire may delay the game. If a team loses a player for any reason and cannot fill their spot, they become an automatic out. The spot may be refilled at any time. 2. When an umpire deems that a player may not continue, due to application of the Continued Participation Rule (see 2.5), the spot will be passed without penalty. **We reserve the right to modify this rule at any time**

4.3 Time Limit

1 hour 10 minutes. No new inning shall be started after the time limit. The inning must be completed unless both teams agree to terminate the game at any time. It is not mandatory for an umpire to notify teams the amount of time remaining in a game. **In the event of a tie game after the 7th inning, teams may play extra innings, however, no new inning may be started with less**

than 5 minutes left in the time limit.

4.4 Mercy Rule

A 20-run mercy rule will be in effect after 3 ½ innings. A 15 run mercy rule will be in effect after 4 ½ innings. A 10 run mercy rule will be in effect after 5 ½ innings.

4.5 Pitching

Pitching arc is **3 ft to 10 ft**. The ball must be pitched underhand at a slow speed with a minimum arc of 3 feet before it crosses any part of home plate and a maximum arc of 10 feet above the ground. The speed and the height of the ball are left entirely to the judgment of the umpire. The umpire shall warn a pitcher who delivers a pitch with excessive speed. Repeating such an offense will cause the pitchers removal from the pitching position for the remainder of the game. A pitch that does not arc the full 3ft, may not be an excessive speed pitch! The pitched ball must be released within 5 seconds from the time the pitcher has the ball and the batter has taken their position in the batter's box. Once the pitcher begins the delivery motion, the batter may not request time out. The pitcher may pitch from the Pitching Plate or from the Pitching Area, an area the width of the Plate and up to 6ft behind the Pitcher's Plate.

4.6 Home Run Limits (NEW)

Men's D Rec: 4 *Men's E Open: 3 *Men's E Rec Orange: 2
*Men's E Rec Blue: 1 *Co-Ed Open: 3 *Co-Ed E Rec: 2

** The 1st homerun after the allowed amount will result in an out after that an HR will result in the inning ending out this re-sets every inning.*

** Teams are responsible for retrieving their own home run balls hit over the fence and returning them to the umpire before the end of the inning!*

4.7 Foul Ball Rule

The foul ball rule is as follows: the batter is out if the batter hits two foul balls after one strike. If the second foul ball after one strike is caught, base runners may not advance. *Teams are responsible for retrieving foul balls and returning them to the umpire.

4.8 Additional Hitter

This rule is optional and applicable to only Men's Leagues! A team may insert 1-2 additional hitters into the line-up before the start of the game. The batting order must remain constant; however any 10 of the 11 or 12 players may take a defensive position throughout the game. The A.H. is part of the re-entry rule and may re-enter once. Failure to declare an A.H., prior to the game, precludes the use of the A.H. for that game. If the A.H. is appealed and not officially in the game, this results in an EJECTION of that player. No previous at bats will be penalized.

4.9 Re-Entry Rule

Any of the **starting** players (including additional hitters) may withdraw and re-enter once, provided such player occupies the same batting position. A substitute who has withdrawn may not re-enter! All re-entries must be reported to the umpire and the official scorer. There is no penalty for an unannounced proper re-

entry. **Illegal re-entry will result in the original player and substitute player being ejected from the game.**

4.10 Courtesy Runner

If a manager requests a courtesy runner, the opposing manager has the option to grant or deny it on each occasion. If granted, any player may become the new runner. In Co-Ed, the runner must be of the same sex. **Please remember, that this is a “courtesy” granted by the opposing team.**

4.11 Substitution

All substitutes should, as a courtesy, be reported to the umpire and the opposing team before such player enters a game. There is no penalty for unannounced substitution.

Section Five – Protest, Eligibility Protest, and Ejections

5.1 Protest

Umpire judgment calls are not subject to protest! Umpire will discuss disputes on the field with the **manager only**. Players are not to question an umpire’s call or ruling. Only when there is a difference of opinion between the protesting team and the umpire regarding the application or interpretation of a specific playing rule, may a protest be lodged. The protest must be made to the umpire **BEFORE the next pitch or the protest is invalid**. In the event of a protest, the game shall be halted to note all of the specifics (team offended, situation, exact rule protested, and any other important information), then the game shall continue. At completion of the game, the protesting manager will bring a copy of the score sheet to the office and inform the office manager of the protest with a \$20 protest fee for investigation of the protest. The office manager will review the protest and make a decision. If the protest is upheld, a date will be selected by the office to continue that game from the POINT of PROTEST. In instances where teams advance to another game that evening (playoffs, tournaments, etc.) the game shall be halted at point of protest and shall continue until a decision has been reached. **WHEN A PROTEST IS UPHELD, the \$20 PROTEST FEE IS RETURNED TO THE TEAM; WHEN A PROTEST IS DENIED, THE FEE WILL BE FORFEITED.**

5.2 Eligibility Protest

No protest will be accepted after the final out of the game. Any eligibility protest must be brought to the attention of the umpire before the game ends. At notification of protest, the umpire will circle and note the protested players name and sign the score sheet along with the protested player. It is the protested manager and player’s responsibility to appear at the office immediately following the game with a copy of the score sheet. The protesting team must post a \$20 protest fee for each player being protested. If a protested player fails to appear after a game, his team will be charged with a forfeit. Players are responsible for having PROPER PICTURE IDENTIFICATION (Drivers License, etc.) in their possession while playing at the Canton Sports Center. All eligible players must be on the team’s roster with a valid signature.

5.3 Ejections

Fake tags, bat throwing, crashing, unsportsmanlike conduct (on or off the field), use of vulgar language, alcohol in the dugout, consumption of drugs, and/or smoking on the field of play, may result in ejection from the game. **If you are ejected for touching, striking or punching an umpire, opponent, teammate, or CSC staff, there will be an immediate suspension with the assurance that other actions will be taken through the Public Safety Department as deemed necessary.** Teams ejected from the complex for any reason will not be eligible for a refund! The circumstances of their ejection will be reported to the USSSA Michigan & National offices. **Note: There will NOT be a mandatory warning given to the team before each game. Managers, this is your warning!** Managers are responsible for the conduct of their players and fans and are subject to suspension for failure to maintain these responsibilities. **If a player is ejected from the game, they must leave the quad and they may be suspended from future games.** The Sports Center staff will determine player and/or team penalties.

Section Six – Coed Rules

6.1 Coed Rules

Batting Order: Co-Ed teams may have any combination of male and female players listed on their roster. Teams must start with a minimum of eight players which requires 4 males & 4 females. Once an 8 team roster is established, a 9th player may be added with the 10th spot being an out. The 9th player addition may be male or female. A team may start with a maximum of 12 players which requires 6 males and 6 females. Once the game begins, the addition of an 11th or 12th player is not allowed. If teams start with less than 10 players, they may add players, up to 10, throughout the game. Male and female players must alternate in the batting order. There are no distance restrictions to the fielding positions of any players and there are no restrictions as to the rotation of fielders.

Other Co-Ed Rules: All playing rules not specifically covered in the above rules shall be governed by Canton Sports Center Rules and Regulations and USSSA rules.

Section Seven – Equipment

7.1 Bats, Warm-up Bats, Diamonds, Bases, Gloves, Shoes, Masks, Contact

Bats

Bats must be USSSA approved and require the USSSA stamp.

USSSA marks and other graphics of the bat must be applied permanently and must be applied by the USSSA licensed manufacturer. **All bats must have the USSSA logo in order to be approved for our leagues.** Please follow the Michigan and National rules at the USSSA websites for details.

Bats will be requested for testing when:

1. Any batted ball that is hit up the middle and makes contact with the pitcher qualifies for immediate removal of the bat used. Competitive leagues will use the expanded pitching area of 3ft on both sides of the mound as the bat safety zone. The bat will then be subject to testing for USSSA compliance. Recreational leagues will use the reaction of the Pitcher and regulation pitching rubber as the testing qualifier. If the bat is found to be altered or illegal, a punishment can include a ban from all USSSA leagues, tournaments, etc. for both the bat owner and the player who hit the ball.
2. Any time a USSSA Umpire or Director asks to test a bat **for any reason**.

Bat compression test

Anyone can have their bat tested at any time Monday-Friday 4:00pm to 9:00pm and all day Saturday and Sunday, to see if it is in compliance with USSSA compression standards. There is no risk of suspension, but if the bat fails it will be recorded into the database by taking a picture and recording the serial number. You will then be warned never to use it in any USSSA play again. If the bat is ever sent in for testing or has ever hit a pitcher, the owner/user will be suspended for an automatic 2 years with no appeal.

Penalties of a NON-Conforming bat:

- A. The owner/user of the bat will be asked to relinquish the bat for testing. If the owner/user refuses, he will receive an automatic TWO-YEAR suspension from USSSA tournaments and leagues with no right to appeal.
- B. If the owner/user agrees for it to be tested, it will be sent into the office for the compression test.
- C. If the bat passes, it will be logged as hit up the middle and returned to the player. If this player hits another ball up the middle that qualifies for compression testing, with the logged passed bat it will be an inning ending out. If this happens again on the same night that player would be ejected for the night and possibly face more suspensions.
- D. If the bat fails **SLIGHTLY**, it will be held until the owner/user participation in a tournament or league game (s) is over, and then returned. However, the bat will have the serial number recorded. The owner/user will be warned never to use it again in any USSSA play. If the owner/user is found to use said bat and is caught in either league or any USSSA play you will receive an automatic (2) two-year suspension.
- E. If a **player is injured with an un-defendable batted ball and the bat fails significantly**, the owner/user will be out of the game, you will be required to give up the bat to be sent out to the manufacture for testing and you will be subject to suspension, length of time determined by Canton Sports Center management. You will also be subject to a 2-year suspension from all USSSA play.
- F. Any Player that touches a bat that injures a player is automatically removed from the game. (Only an Umpire can touch the bat)
- G. If the bat that injures a player makes its way to the dug-out, the team will forfeit the game.
